25 Year Certificate/ Letter/ Pin

Preprinted Certificates with placeholder for recipient's name

The Quarter-Century Society, Inc. certificates are preprinted and pre-signed by the Executive Director and the President of the QCS. They can be ordered by contacting the Consumer Response Center at 800.678.5190 or the Executive Director via -email at: ipqcs1923@gmail.com.

The Quarter-Century Society certificate is designed to recognize International Paper employees who have completed 25 years of service. International Paper human resources and managers are responsible for determining the timing of this special service mark within their own business/ staff group. The certificate is most often presented to the recipient along with a specially designed 25 year pin, new member letter and brochure that tells about the Quarter-Century Society. Once an IP employee reaches the 25 year milestone, they automatically become a member of the Quarter-Century Society.

The certificate includes an open space to hand-write the recipient's name. Sharpie pens work well as some pens (like gel pens) tend to smear when used on specialty papers.

For those who want to over-print the name using a laser printer instructions are available by contacting the Quarter-Century Society at: ipqcs1923@gmail.com.

Note: the certificates are printed on Accent Opaque Digital Cover Smooth Warm White 65.

Specially designed 25 yr. Service Pin

In addition to the certificate, a 25 yr. service pin is available through Human Resources.

Quarter-Century Society, Inc. New Member Letter

The New Member Letter from the Executive Director describes the history, purpose and benefits of membership. Available on the QCS website: www.ipqcs.com or by request to: ipqcs1923@gmail.com
